# Mangwanani *Corporate Wellness*

Healthy employees are more productive, happier employees. By investing in employees' wellness, companies are not only reducing stress and boosting the morale of their people, they are also reaping bottom-line benefits. These include reduced absenteeism and minimal staff turnover, concomitant with loyalty and greater productivity. Mangwanani Spa has wellness and relaxation therapy solutions that may be tailored to the unique requirements of your business.

## **Mangwanani offerings**

Exclusive Corporate Packages to pamper your VIP clients or staff redeemable at Mangwanani River Valley, Sibaya, Winelands and Pivot • On-site massage therapy where our therapists move silently through the office, providing effective, long-lasting relief from stress and tension. • Nomadic spa where excitement and extreme value to any corporate function through the provision of relaxing treatments for guests • Mangwanani's exclusive product ranges which makes ideal corporate gifts
